Subject Index of Peer-reviewed Papers

Cardiovascular Conditions and Function

Clinical monitoring of dysvascular lower limb amputees during initial gait training. M J Bailey, C MacWhannell 278
Exercise for health. V Pert 453
Role of exercise in rehabilitation after uncomplicated myocardial infarction, The. J M Finlayson 517

Children and Childhood

Effect of verbal feedback on the physical performance of children. T Puddefoot, H Hilliard, M Burl 76
Effect of vibroacoustic therapy, The. M H Kvam 290

Community Care

Management of the physical condition in people with chronic and severe disabilities living in the community. P Pope 116

Concepts and Theories

Conducting qualitative research in physiotherapy. C Carpenter 547
Differentiation as a qualitative research strategy. A T Lettinga, P J M Helders, A Mol, P Rispens 538
Measurement of empathy in a clinical and a non-clinical setting, The: Does empathy increase with clinical experience? D Thomson, A-M Hassenkamp, C Mansbridge 173
Motor control theories – Insights for therapists. P Bate 397
Physiology of the sensory dimensions of clinical pain, The. M Johnson 526
Research, The collaborative approach: Clinicians and academics. A P Moore 229

Diagnosis

Can physiotherapists locate lumbar spinal levels by palpation? A McKenzie, N F Taylor 235
Soft-tissue disorders of the shoulder. C Liesdek, D A W M van der Windt, L M Bouter 12

Disability

Changing disability research: Participating and emancipatory research with disabled people. S French, J Swain 26
Management of the physical condition in people with chronic and severe disabilities living in the community. P Pope 116

Education of Undergraduates

Admission and progression trends in physiotherapy undergraduate education. A Green, J Waterfield 472
Does taking students increase your waiting lists? K A Holland 166
Professional Development Diary, The: A case study of one cohort of physiotherapy students. V Cross 375
What do clinical educators look for in physiotherapy students? V Cross, C Hicks 249

Elder Rehabilitation

Physiotherapy with older people: Calculating staffing need. A Squires, M Hastings 58

Electrotherapy

Analgesic effects of different swing patterns of interferential currents on cold-induced pain. M I Johnson, H Wilson 461
Effect of common peroneal nerve stimulation on quadriceps spasticity in hemiplegia. The. J Burridge, P Taylor, S Hagan, D Wood, I Swain 82
Longwave ultrasound reviewed and reconsidered. V J Robertson, A R Ward 123
TENS and pain control after coronary artery bypass surgery. M Domaille, B Reeves 510

Ethics

Confidentiality and HIV status. J Sim 90

Evidence Based Practice

Physiotherapy for best effect. D J Newham 5
Symptomatic osteo-arthritis of the knee: The efficacy of physiotherapy. R Marks, D Cantin 306

Exercise Movement and Performance

Emotional responses of athletes to injury and treatment. H Dawes, N K Roach 243
Effects of hot and cold packs on motor performance of normal hands. K Kauranen, H Vanharanta 340
Exercise for health. V Pert 453
Motor control theories – Insights for therapists. P Bate 397
Post-prostatectomy incontinence. G Dorey 68
Role of exercise in rehabilitation after uncomplicated myocardial infarction, The. J M Finlayson 517
Validity and reliability of measures obtained from the balance performance monitor during quiet standing. M R Hinman 579
Way forward for determining optimal aerobic exercise intensity, A. C A Paley 620

Gait and Walking

Clinical monitoring of dysvascular lower limb amputees during initial gait training. M J Bailey, C MacWhannell 278
Temporal gait analysis using slow motion video and a personal computer. J C Wall, J Crosbie 109

Health Education

Exercise for health. V Pert 453
Mitchell's simple physiological relaxation and Jacobson's progressive relaxation techniques: A comparison. V L Salt, K M Kerr 200
Way forward for determining optimal aerobic exercise intensity, A. C A Paley 620

Health and Safety

Calibration of therapeutic ultrasound equipment. R Guirro, F Serrão, D Elias, A J Bucalon 419
Complications arising from spinal manipulative therapy in New Zealand. D A Rivett, P Milburn 626

HIV and AIDS

Are you positive? AIDS, attitudes and physiotherapy. D Sheen, A Green 190
Confidentiality and HIV status. J Sim 90

Incontinence

Post-prostatectomy incontinence. G Dorey 68

Learning Disabilities

Effect of vibroacoustic therapy, The. M H Kvam 290
Outcome measurements and case weighting in physiotherapy services for people with learning difficulties. I Papathanasiou, S J Lyon-Maris 633

Management

Does taking students increase your waiting lists? K A Holland 166
Evaluation of initial non-attendance rates for physiotherapy, An. J Armitstead 591
Management of delegation to assistants. L Saunders 141
Physiotherapy with older people: Calculating staffing need. A Squires, M Hastings 58
Systematic approach to delegation in physiotherapy, A. L Saunders 582
Training and assessment of physiotherapy assistants. R Parry, C Vass 33

Manual Therapy

Complications arising from spinal manipulative therapy in New Zealand. D A Rivett, P Milburn 626
Manipulation and back school in the treatment of low back pain. M Ross 181

Musculoskeletal Disorders

Effects of corrective taping of the patella on patients with patellofemoral pain, The. L Herrington, C J Payton 566
Longwave ultrasound reviewed and reconsidered. V J Robertson, A R Ward 123
Soft-tissue disorders of the shoulder. C Liesdek, D A W M van der Windt, L M Bouter 12
Symptomatic osteo-arthritis of the knee: The efficacy of physiotherapy. R Marks, D Cantin 306

Neurological Rehabilitation

Effect of common peroneal nerve stimulation on quadriceps spasticity in hemiplegia, The. J Burridge, P Taylor, S Hagan, D Wood, I Swain 82
Investigation into the effect of acupuncture on the motor recovery of the upper limb after stroke, An. V Hopwood, G Lewith 614
Management of the physical condition in people with chronic and severe disabilities living in the community. P Pope 116
Motor control theories – Insights for therapists. P Bate 397
Physical recovery following stroke. A Ashburn 480

Orthoses, Aids and Devices

Clinical monitoring of dysvascular lower limb amputees during initial gait training. M J Bailey, C MacWhannell 278

Outcome Measurement

Outcome measurements and case weighting in physiotherapy services for people with learning difficulties. I Papathanasiou, S J Lyon-Maris 633
What do clinical educators look for in physiotherapy students? V Cross, C Hicks 249

Pain

Analgesic effects of different swing patterns of interferential currents on cold-induced pain. M I Johnson, H Wilson 461
